I have received, read, and understand the Acceptable Use of Communications and Information Systems (CIS) Policy #815, and will comply with it. Someone from the School District has also reviewed the policy with me and my parents/guardians have reviewed it with me. In addition, I have been given the opportunity to obtain information from the School District and my parent(s)/guardian(s) about anything I do not understand, and I have received the information I requested. If I have further questions, I will ask the principal and my parents/guardians. Additionally, I understand that if I violate this policy, other School District policies, regulations, rules, and procedures, I am subject to the School District's discipline and could be subject to Internet Service Providers rules, as well as local, state and federal rules and procedures.
